

# NANO LEARNING SOLUTIONS

Just-in-time learning for when you need to learn something quickly

## HANDS-ON PRACTICE SCENARIOS

Quick, online practice scenarios similar to the real-life situation you're about to face, coupled with expert advice and stories

## SMART PLAYBOOK OF SERVICES AND OFFERINGS

Online situation-based search tool to help you select the right service or offering for your client; experts relay stories of related situations they've confronted and the solutions they implemented

## REAL-WORLD TASK ASSISTANCE

Online, guided process with accompanying expert advice to help you complete your real project work

## KNOWLEGE SYSTEM OF EXPERT ADVICE AND STORIES

Online repository of expert videos and documentation showcasing real-life stories, perspectives, and advice related to one or more topics

## TASK NOTIFICATIONS

Online expert advice tool tied into your workflow process – it knows when you're doing something challenging and offers video advice and lessons learned from experts

## PERFORMANCE METRICS

Track your real-world performance metrics online and access expert stories and advice, tools, and templates to help improve your performance

## CONNECT WITH AN EXPERT

Online, video-based tool to help you select the right expert for you or your client

## PERFORMANCE SUPPORT TOOLKIT

Online job aids, manuals, expert tips, videos, templates, related websites, etc. providing the help you need when you need it
