**Only the highest quality of care for your dog.**

Over the years, no other facility in Empire City has the ability to offer salon-quality grooming, expert trainers, and handlers who are passionate about your dog's health. Little Paw Playland combines wide open spaces for your dog to exercise with all of the services you would find at higher-end commercial businesses.

Let us care for your most special friend.

Owner Lillie Garhardt gives Lucy a well deserved gentle bath after a long day of play.

## Groom & board services

At Little Paw Playland, we offer all the services you would expect to find at a high class salon in an open air facility. For over a decade, we have been proud to bring the highest quality grooming, boarding, and dog care services to North

Brandswine out of our home-based business.

Our passion for dogs and the lack of adequate dog care facilities in Empire City prompted us to welcome neighbors into our own home and give dogs a place to play. Several years ago we expanded our facility to include a spa and complete grooming studio with several of the most talented groomers in the business.

We are committed to providing the best quality grooming and boarding experience for you and your special friend. You are welcome anytime.

Sincerely,

Lalife and Mark Gerhardt

### A qualified staff of dog lovers

Dogs that visit our facility are referred to as guests. Our experienced staff of groomers, handlers, and trainers will treat your dog like their own. We have the lowest turnover of staff in all Empire City, so you can expect a strong, lasting relationship to develop between us and our guests. Your dog's health and happiness matter most and we want them to feel comfortable in their surroundings and with our staff.

### Fun activities to promote health

No facility in Empire City has the open space and training equipment found at Little Paw Playland. We feature three competition level obstacle courses, several fetching stations, and a running track to give your dog tons of exercise. Trainers and handlers are always present for supervision, or to give your dog the special attention they crave. You can go about your busy day in the office and leave the dog

care to us. We take the worry out of your day for hiring a walker or someone to watch over your special friend. We understand the benefits of keeping your dog active.

Activities abound at our 3.5 acre facility. Exercise is important for dogs living in urban areas. Above, Buster leaps through one of three obstacle courses located onsite at the Playland.

tive, healthy and full of energy. Pick up service is available for our daily and weekly customers with standing appointments.

# SNIPS

## Snips Dog Grooming Services

At Snips, we provide a full range of grooming services at discount prices. Because we are home-based, our hours tend to be more flexible than most of Empire City's commercial salons and grooming facilities. We are centrally located on the eastern edge of Manning Park, not far from both Downtown and Kings Towne.

Grooming services include hand washing, brushing, and scissoring. We trim nails and unwanted ear hair. We believe strongly in safety-first, therefore, we never use any restraints or cage dryers to groom your dog.

Snips is committed to making your dog feel clean, comfortable, and safe.

- Bath only \$35
- Basic groom \$55
- De-matting fee \$10
- Beauty makeover \$65
- Anti-shedding treatment \$15
